

Declaration

Issued for: Christensen Tools (PTY) Ltd.
11 Jules Street
ZA-2094 Johannesburg

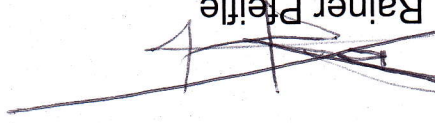

Subject: ESD products of Wolfgang Warmbier e.K. as listed in the catalogue 2010/2011

We declare that the products listed in the catalogue 2010/2011 are qualified by the "Quality Department" of Wolfgang Warmbier e.K. according to our specification and according to the international ESD standard **IEC 61340-5-1 (2007-08)**.

Since 1998 Wolfgang Warmbier e.K. maintains a Quality Management System which is verified annually by the DQS GmbH. The procedure of the qualification and verification of the Warmbier products is described in our ISO 9001: 2008 handbook.

The properties and valid "warranty period" for the products are documented on the "Technical Information (Data sheet)" we do supply for any of our products listed in the catalogue 2010/2011.

Hilzingen, 14.02.2011
